

Newsletter September 2020

Dear Members,

Owing to the continued Covid restrictions our Australasian Forum will not be going ahead as planned for October 22nd at Motorlife in NSW.

Instead on the same day, we will be conducting our AGM via zoom which if successful will be the norm for subsequent years. I would like to think that perhaps every three years we will be able to hold a Forum in a locality convenient to as many members as possible.

We welcome everyone to join in and participate in our first zoom AGM after which we will open the floor for general discussion. We would like to hear from those wishing to join us, please contact Peter or myself, so we can gauge an idea on numbers.

Further details will be circulated as they come to hand. All reports required for the AGM will be posted on the website for all to see. We are doing our best to improve the website. For members wishing to visit the member's information, the user name is motor, and the password is museum@amma.

I would like to hear from as many as possible, and to find out how most of you are coping in these unbelievable hard times.

I look forward to meeting with you all.

Kindest regards

Colin Kiel

Chairperson
